

K-LOVE is the radio station in my area on frequency 90.9. Please do not allow this station to be replaced with an LPFM. K-LOVE has impacted our area in a very positive way with a completely family-oriented station. It would be an utter disappointment to take this station away from our local community. This station broadcasts positive, family-oriented music and talk. One NEVER has to be concerned about what one's children are hearing on K-LOVE. This station is a fantastic alternative to other stations because we can hear uplifting, positive music as opposed to music that is loaded with violent language and sexual innuendo. Please do not allow an LPFM to take the place of K-LOVE at 90.9.
